Defendant.)	

The above-captioned case is currently set for sentencing on December 14, 2016 at 10:00 a.m. When the parties previously appeared for sentencing on September 21, 2016, the Court referred defendant to Pretrial Services for evaluation for placement in the Conviction Alternatives Program (CAP).

Pretrial Services has advised the parties that the evaluation will not be complete by December 14, 2016, due to the availability of a psychiatrist who will conduct an in-custody evaluation of defendant. As a result, both parties request that the sentencing hearing now scheduled for December 14 be vacated, and that the matter be added to the Court's calendar at 10:00 a.m. on Wednesday, January 18, 2017, or as soon thereafter as it can be heard.
